Sir:

Prior to examination and calculation fee, please amend the above-identified application as follows:

IN THE CLAIMS:

✓
Please cancel claims 14-25, without prejudice.

↙
Please add the following new claims 26-43:

18
26. (New) A multi-spectral product for simulating or marking of an object, said product is configured as a sandwiched structure comprising at least a first layer, covered by a pattern rendering the object visually detectable and a second layer, overlapping with at least a portion of the first layer, said second layer rendering the object visually detectable by virtue of a thermal contrast produced without employing an auxiliary source of energy.
